

RIBA MUNDO TECNOLOGÍA

RIBA MUNDO TECNOLOGÍA: UPDATE EXTRAORDINARY EVENT

Valencia, January 31, 2025

Riba Mundo Tecnología S.A., (the "**Company**" or "**Riba Mundo**") - tech company specialising in Big Data active in the B2B segment of consumer electronics, based in Valencia (Spain) and listed on the Euronext Growth Milan market - announces that following the fire that occurred on Saturday, January 25, starting from Monday, February 3, 2025, the offices will be operational again, and activities will resume.

The speed and responsiveness allowed for a reorganization of activities by taking advantage of the TIPSA warehouse located a few minutes away from the Riba Mundo headquarters, while awaiting the work to restore the Headquarters warehouse. New computer stations have been installed to facilitate picking operations, and several modifications have been made to the proprietary software to enhance adaptability to the new logistical situation.

The Company is working to restore the proprietary warehouses, and at the same time will keep the market informed of new updates.

This press release is available on the website of Riba Mundo Tecnología, investors.ribamundotecnologia.es, in the Investor Relations section and on www.1info.it.

Riba Mundo Tecnología

Riba Mundo Tecnología S.A., listed on Euronext Growth Milan (ISIN ES0105724001, ticker RMT) is a tech company specialized in big data, is active in consumer electronics B2B trading on a global scale. The core business is mainly focused on the category of smartphones and tablets, with the progressive expansion covering also entertainment and computing devices. Incorporated in 2018 with legal, operational and logistical headquarters in Valencia (Spain), the Company has developed MarVin, a proprietary big data software designed according to data-driven criteria for the optimisation of purchasing, sales and demand forecast generation processes, in order to ensure the efficiency of consumer goods inventory management. Distributing in more than 45 countries, with a team of around 70 employees and a base of more than 1,000 international customers, Riba Mundo has proven to have developed an innovative and efficient business model capable of generating high growth. In 2023, total revenues exceeded EUR 434 million, reporting a CAGR 2019-2023 of +86%, EBITDA stood at EUR 9.2 million, up 23% compared to 2022.
