Change to the Corporate Events Calendar and Update on Approval of the 2025 Financial Statements

The Debt Restructuring Procedure was presented today

Valencia, September 25 2026

Riba Mundo Tecnología S.A., (the "**Company**" or "**Riba Mundo**") - tech company specialising in Big Data active in the B2B segment of consumer electronics, based in Valencia (Spain) and listed on the Euronext Growth Milan market – met today and resolved on the following items:

Amendment to the Corporate Events Calendar and Update on the Approval of the 2025 Financial Statements

The Board of Directors announces an amendment to the 2026 Corporate Events Calendar, postponing the approval of the half-yearly financial report 2026 to a date to be determined.

Furthermore, the Company reports that it has received a new notice from the auditing firm BDO Auditores SLP ("BDO") regarding a further delay in the completion of the audit of the 2025 financial statements, for reasons not attributable to Riba Mundo and attributable to the late start of the audit (see press releases dated June 25, 2026, and August 7, 2026) and the extended timeframe required due to the greater complexity of the initial engagement.

The Company will promptly provide the market with updates regarding the new date for the approval of the 2025 financial statements

Presentation of the Debt Restructuring Procedure

The Company announces that, as of today, it has filed with the Court of Valencia the notice of commencement of negotiations with creditors provided for in Article 585 et seq. of Royal Legislative Decree 1/2020, dated May 5, which approves the revised text of the Bankruptcy Law under Spanish law, due to a temporary cash flow need not attributable to the course of ordinary operations, but primarily to the delay in the collection of tax receivables accrued as of January 2025, for a total amount of approximately 6.1 million euros. The new procedure will allow the Company to continue its business operations as usual and, at the same time, to begin negotiations with creditors aimed at establishing a new restructuring plan
