

RIBA MUNDO TECNOLOGÍA:

WAREHOUSE BACK IN FULL OPERATION AND AN ADDITIONAL €5 MILLION RECEIVED FROM THE INSURANCE COMPANY IN RELATION TO THE FIRE AT THE VALENCIA WAREHOUSE

Valencia, July 31, 2025

Riba Mundo Tecnología S.A., (the "**Company**" or "**Riba Mundo**") - tech company specialising in Big Data active in the B2B segment of consumer electronics, based in Valencia (Spain) and listed on the Euronext Growth Milan market - announces that restoration work on the warehouse at its Valencia headquarters following the fire that broke out on 25 January 2025 has been completed and that it is now fully operational again.

The management would like to thank everyone who helped to get operations back up and running so quickly, as well as the Riba Mundo team who worked hard to deal with the emergency situation.

Riba Mundo also announces that it has received a further €5 million from the insurance company to cover the damage caused by the warehouse fire on 25 January 2025. This second compensation payment is in addition to the first €10 million received on 14 May 2025 (cfr. [press release](#)). The Company will continue to keep the financial community informed of further developments on this matter.

This press release is available on the website of Riba Mundo Tecnología, investors.ribamundotecnologia.es, in the Investor Relations section and on www.1info.it.

Riba Mundo Tecnología

Riba Mundo Tecnología S.A., listed on Euronext Growth Milan (ISIN ES0105724001, ticker RMT) is a tech company specialized in big data, is active in consumer electronics B2B trading on a global scale. The core business is mainly focused on the category of smartphones and tablets, with the progressive expansion covering also entertainment and computing devices. Incorporated in 2018 with legal, operational and logistical headquarters in Valencia (Spain), the Company has developed MarVin, a proprietary big data software designed according to data-driven criteria for the optimisation of purchasing, sales and demand forecast generation processes, in order to ensure the efficiency of consumer goods inventory management. Distributing in more than 45 countries, with a team of around 70 employees and a base of more than 1,000 international customers, Riba Mundo has proven to have developed an innovative and efficient business model capable of generating high growth. In 2024, total revenues exceeded EUR 480 million, reporting a CAGR 2019-2024 of +67%, EBITDA stood at EUR 6.5 million.
