RIBA MUNDO TECNOLOGÍA: ePRICE IT INFORMATION

Valencia, March 31, 2025

Riba Mundo Tecnología S.A., (the "**Company**" or "**Riba Mundo**") - tech company specialising in Big Data active in the B2B segment of consumer electronics, based in Valencia (Spain) and listed on the Euronext Growth Milan market - announces that on March 25, 2025, the subsidiary **ePRICE IT Srl** was informed by the "Agenzia per la Cybersicurezza Nazionale" (**ACN**) of a suspected data exfiltration and its subsequent sale on a dark web forum.

The incident involves the sale of a significant number of records containing email addresses, first names, last names, ordered items, and order numbers. No financial data or payment method details appear to have been compromised.

Since then, ePRICE IT has been working with the utmost urgency to determine the nature and size of this event and whether the data is indeed linked to its systems.

The absolute priority is to verify the authenticity of the published data and understand how it may have been obtained.

In the meantime, ePRICE IT is closely collaborating with the competent authorities and following all necessary legal procedures. An internal Team for the incident response has been immediately activated, and top-level cybersecurity experts have been engaged. Investigations are still ongoing.

This press release is available on the website of Riba Mundo Tecnología, investors.ribamundotecnologia.es, in the Investor Relations section and on www.1info.it.

Riba Mundo Tecnología

Riba Mundo Tecnología S.A., listed on Euronext Growth Milan (ISIN ES0105724001, ticker RMT) is a tech company specialized in big data, is active in consumer electronics B2B trading on a global scale. The core business is mainly focused on the category of smartphones and tablets, with the progressive expansion covering also entertainment and computing devices. Incorporated in 2018 with legal, operational and logistical headquarters in Valencia (Spain), the Company has developed MarVin, a proprietary big data software designed according to data-driven criteria for the optimisation of purchasing, sales and demand forecast generation processes, in order to ensure the efficiency of consumer goods inventory management. Distributing in more than 45 countries, with a team of around 70 employees and a base of more than 1,000 international customers, Riba Mundo has proven to have developed an innovative and efficient business model capable of generating high growth. In 2023, total revenues exceeded EUR 434 million, reporting a CAGR 2019-2023 of +86%, EBITDA stood at EUR 9.2 million, up 23% compared to 2022.
