

RIBA MUNDO TECNOLOGÍA:

SUCCESSFUL COMPLETION OF THE JUDICIAL APPROVAL PROCESS FOR ITS RESTRUCTURING PLAN

Valencia, February 25, 2026

Riba Mundo Tecnología S.A., (the "**Company**" or "**Riba Mundo**") - tech company specialising in Big Data active in the B2B segment of consumer electronics, based in Valencia (Spain) and listed on the Euronext Growth Milan market – announces that the judicial approval process for its restructuring plan, assisted by **KPMG España** through the teams of KPMG Abogados and Funding Advisory (Deal Advisory), has been successfully completed.

The transaction represents a significant step forward in the financial and organizational strengthening of Riba Mundo Tecnología S.A., in line with what has already been communicated to the market in previous updates regarding the restructuring process. The approval of the plan allows the company to continue implementing its strategic guidelines and pursuing its market development path.

The Company will continue to promptly inform the market of any significant developments related to the execution of the plan.

This press release is available on the website of Riba Mundo Tecnología, investors.ribamundotecnologia.es, in the Investor Relations section and on www.1info.it.

Riba Mundo Tecnología

Riba Mundo Tecnología S.A., listed on Euronext Growth Milan (ISIN ES0105724001, ticker RMT) is a tech company specialized in big data, is active in consumer electronics B2B trading on a global scale. The core business is mainly focused on the category of smart phones and tablets, with the progressive expansion covering also entertainment and computing devices. Incorporated in 2018 with legal, operational and logistical headquarters in Valencia (Spain), the Company has developed MarVin, a proprietary big data software designed according to data-driven criteria for the optimisation of purchasing, sales and demand forecast generation processes, in order to ensure the efficiency of consumer goods inventory management. Distributing in more than 45 countries, with a team of around 70 employees and a base of more than 1,000 international customers, Riba Mundo has proven to have developed an innovative and efficient business model capable of generating high growth. In 2024, total revenues exceeded EUR 480 million, reporting a CAGR 2019-2024 of +67%, EBITDA stood at EUR 6.5 million.
